DESCRIPTION

Overlooking the Atlantic Ocean, the beach and bay of Cascais, Estoril-Sol Residence is one of the most prestigious private condominiums of Cascais.

Considered by many as the most modern and luxury private condominium in Portugal, Estoril-Sol Residence was projected according to the highest international real estate standards, with private access to the beach, concierge service, heated indoor and outdoor pools, gymnasium, sauna, Turkish bath, solarium and health club and 24 hour security. [photo#photo-27]

The apartment that we present for sale is one of the most prestigious in the entire Condominium Estoril-Sol Residence, both because of its specific location - serving its guests with a unique framework of the sea and the beautiful town of Cascais and its Bay - as because of being one of the biggest in the entire development - with a total of 5 bedrooms and 289 sqm of total inner area.

The apartment has 4 parking spaces and one big storage room.

All the multimedia content was produced by Nox Multimedia.

LOCATION

Enclosed in Estoril-Sol Residence private condominium, the apartment presented for sale is located in Cascais, the residential area per excellence that allows those who live there the easy access to the beaches of Cascais, to Cascais' Marina, to Cascais' Bay, to the commercial surrounding area or to the coastline cycle circuits.

The condominium is located at only 10 minutes from A5 highway that connects Cascais to Lisbon and 25 minutes from Lisbon.
